Notes to parents/guardians (please read and check off):

I am aware that the program runs 4 days per week and if my student will be absent, the Schuylkill ACHIEVE Lead Teacher must be notified.

I have completed the Emergency Plan Form.

I have received and acknowledge the Safeguarding Sensitive School, Teacher and Student Data Form.

I have received a copy of the Parent Handbook.

My student is eligible to receive free or reduced lunch. *Your student does **not** need to qualify for free or reduced lunch to be able to participate in Schuylkill ACHIEVE Afterschool.

My student may be photographed in the Schuylkill ACHIEVE program for media purposes. Check the box for YES.

I understand that it is strongly encouraged that my child attend the entire program in order to obtain the full benefit of the academic enrichment and learning opportunities provided. It is suggested that parents refrain from picking up their child(ren) before 4:30 so he/she will be able to minimally participate in the first rotation of enrichment activities.

The funding for this program is provided by the Pennsylvania Department of Education and does not permit homework time to exceed 20-minutes. Students departing early from the program may miss the scheduled homework time provided and it will be the student's responsibility to complete assigned school work at home. The priority of this program is to provide fun and engaging academic enrichment activities to promote improved academic outcomes and learning.
