

3rd Annual Northern Dauphin National Night Out Coloring Contest and Bonus Activity Packet

We dedicate our event in memory of Tyler Laudenslager and we remind everyone to “Slow Down, Move Over” when our 1st Responders are working on the side of the road.

We hope you will enjoy your coloring packet featuring some of our 1st Responders!

There are many types of 1st Responders found in our communities – they are both male and female individuals who come to help us whenever we need them because of any type of an emergency! **We love our 1st Responders!**

Did you know that there are some opportunities for youth to get involved as a 1st Responder? Some Fire Departments offer explorer clubs and/or Junior Fire Fighter programs and sometimes our State Police offer Cadet programs.

You can get to know our 1st Responders and show your appreciation to them by dropping off bottled water, store bought cookies or a homemade thank you card at their facility!!!

Have some fun with us and ENTER OUR CONTEST!

Here is all you need to do:

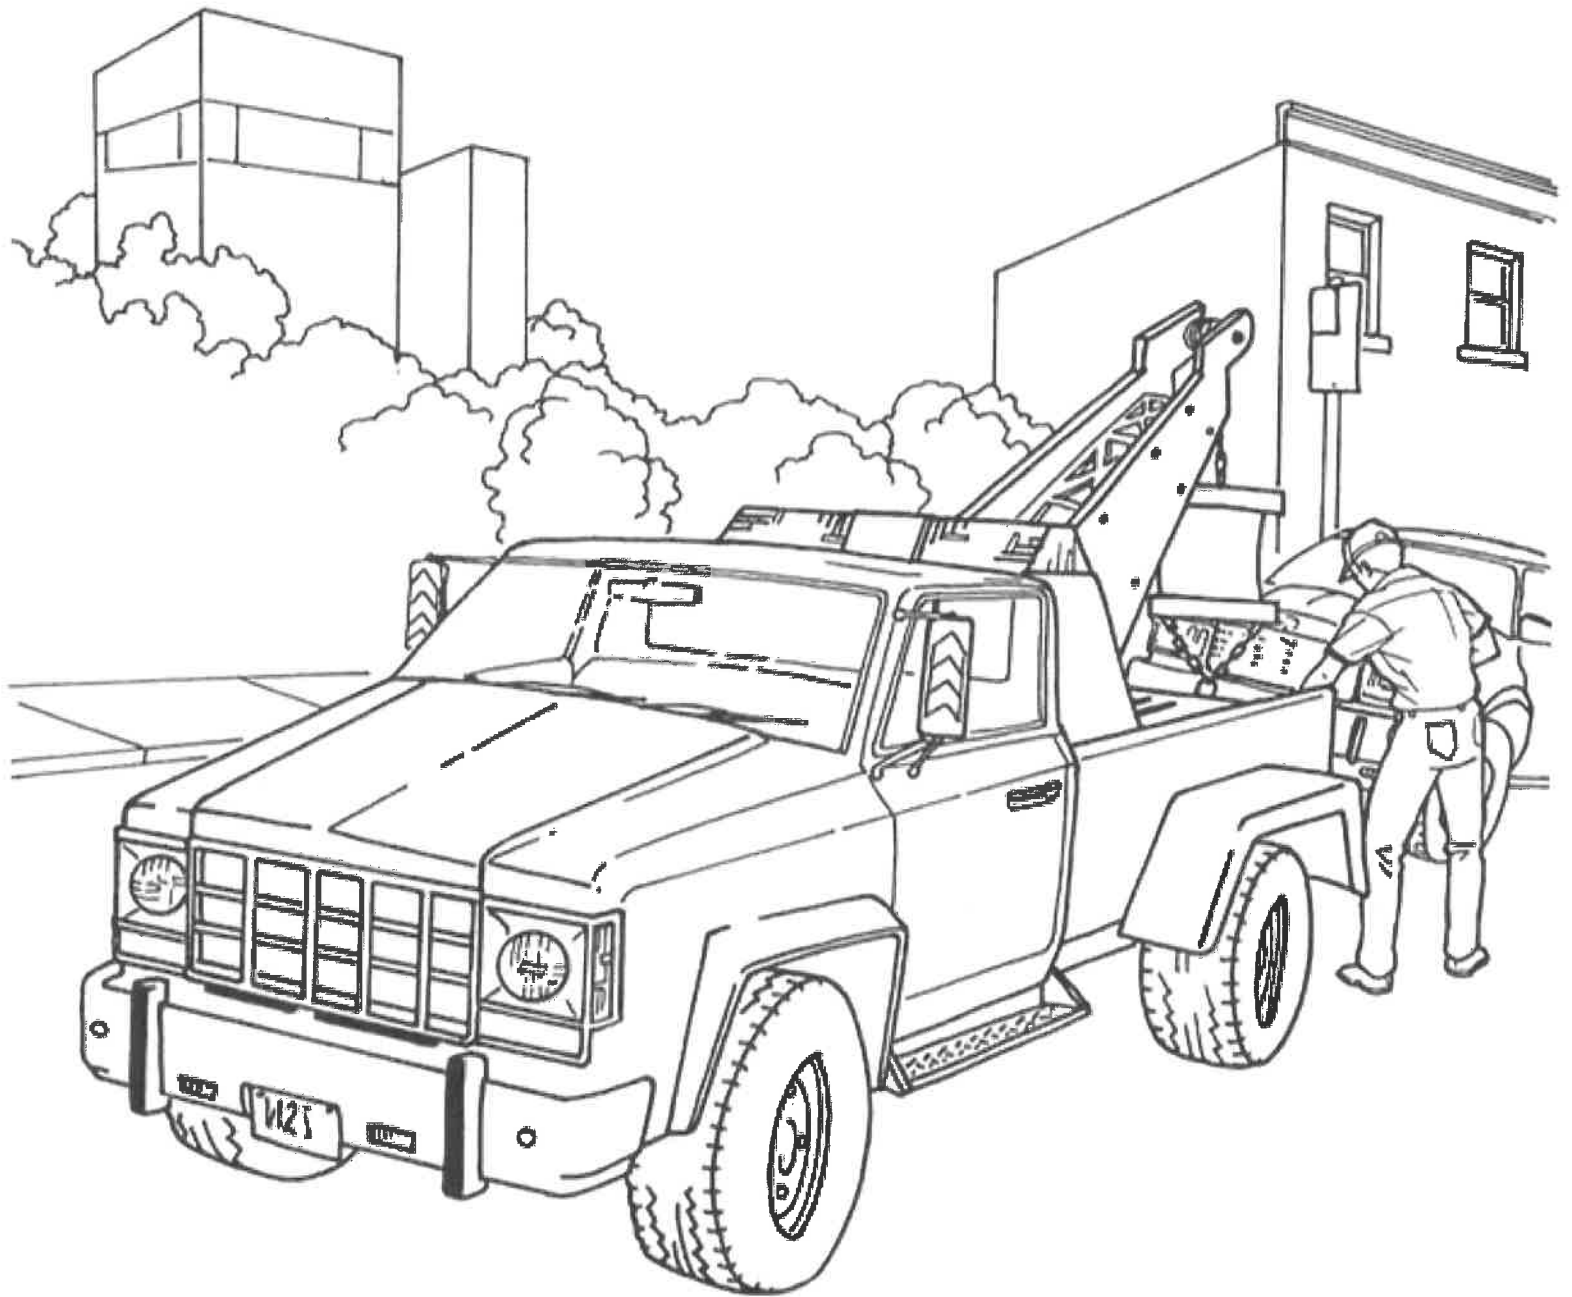

- **Pick one page to color from the packet for our contest!**
- **You must put your name, address, and phone number on the back of the page you enter in the contest.**
