

The background of the entire image is a repeating pattern of tropical leaves. There are three main colors: green, yellow, and blue. The green leaves include large monstera leaves with characteristic holes and smaller, feathery palm-like leaves. The yellow leaves are also feathery and appear to be a different variety of palm. The blue leaves are also feathery and provide a cool contrast to the warmer colors. The pattern is dense and covers the entire page.

SUMMER Shindig

Friday, June 4th (7th-9th Grade)
&
Saturday, June 5th (9th-12th Grade)
